RE: Home Base Iowa Signage and Website

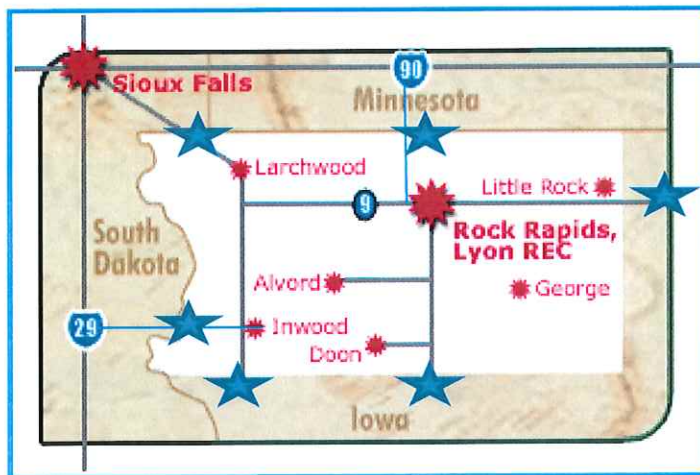

Lyon County, Iowa, will be placing Home Base Iowa designation signage on all Iowa State Highways entering the county. That includes:

Highway 9 west to South Dakota and east to Osceola County.

Highway 75 north to Minnesota and south to Sioux County.

Highway 18 south to Sioux County and west to South Dakota.

That would include six signs - shown below with ★.

Lyon County will also have pages on the Lyon County website (www.lyoncountyiowa.com), Rock Rapids city website (www.rockrapids.com) and Lyon County Economic Development website (www.lyonedia.com). These will be linked to the Home Base Iowa website.
